Disclaimer: YHI POWER PTY LTD has developed this guide to be used as a reference only. Whist every endeavor is made to ensure all details within this fitment guide are correct at the time of printing, battery specifications and other specific information are subject to change without notice. Therefore strongly recommend to always check the suggested battery in this fitment guide against the existing one to ensure that the battery type, size, capacity and terminal type are suitable for the application to be installed. YHI POWER PTY LTD accept no liability to any person or institution for the information or advice, (or the use of this information or advice), which is provided in this fitment guide or incorporated into it by reference.

CORPORATE PROFILE - ABOUT US

YHI INTERNATIONAL LIMITED

YHI International Limited is a leading global distributor of high-quality automotive and industrial products, and a trusted brand name in alloy wheels manufacturing as an Original Design Manufacturer (ODM).

Listed on the Mainboard of the Singapore Exchange Securities Trading Limited (SGX-ST) on 3 July 2003, YHI has successfully diversified its business and carved a niche for itself in the global automotive arena since its humble beginnings as a sole proprietorship established in 1948.

Today, YHI's international presence spans across over 100 countries through its 33 subsidiaries and 3 associated companies located across Asia Pacific, North America and Europe. YHI distributes a diverse range of premium automotive products, which includes tyres, alloy wheels, energy solutions, buggy & utilities vehicles and other industrial products to more than 5,000 customers globally.

YHI currently has three alloy wheels manufacturing plants located in Suzhou in China, Taoyuan in Taiwan and Malacca in Malaysia, with a current total production capacity of 2.3 million units per annum. As an integrated ODM solutions provider, it provides services from the design and development to the manufacturing, marketing and distribution of alloy wheels.
In order to strengthen the YHI distribution network, the Group will continuously sharpen its sales focus, as well as embark on strategic plans to promote and develop its portfolio of premium and proprietary brands in the global market where "The World is Our Market".

YHI POWER PTY LTD - AUSTRALIA

YHI POWER PTY LTD as part of YHI Group, was established in Australia in 1994, the company has grown and diversified its business and is now recognised as a distributor of high quality industrial, automotive, solar batteries and associated products.

Our friendly, experienced and highly motivated sales personnel are committed to provide all of our customers with consistent customer care. They will ensure that the batteries are fresh and ready to use, that the product warranties are settled promptly on site, stocks are rotated and kept clean and presentable. We always keep our customers up to date with the latest news and information regarding our products through various forms of media, and we listen to our customers needs through various feed back mechanisms.

CORPORATE PROFILE - ABOUT US

Using a network of sales and warehousing facilities in Sydney, Melbourne, Brisbane, Perth, Adelaide and Darwin, YHI Power provides superior customer service to ensure the customer has the right product, on time, to meet their needs.

- Sole Australian Distributor of Vision, CSB and Crown batteries.
- Exclusive distributor of Neuton Power, Neuton Power K (YHI's own brand) products.
- Distributor of Bosch batteries.
- Supplier of battery chargers, racks, cabinets and various accessories.

Our focus is to strengthen and widen our distribution network, sharpen our sales focus and embark our multi-brand, multi-category and multi-product (3M) marketing strategy.

YHI MISSION STATEMENT

- To be a recognised global distributor of high-quality automotive and industrial products, and a familiar and trusted brand name in alloy wheels manufacturer as an Original Design Manufacturer.
- To position YHI Group effectively by continuously providing customers with quality products and distinctive customer services so as to build strong customer relationships.
- To provide growth and opportunities for our employees and to consistently generate stable returns to shareholders.
- To be committed to quality, professional and personnel management, sound business practices and teamwork.

SERVICE - OUR COMMITMENT

YHI POWER SERVICE & SUPPORT

We believe that the YHI POWER value-for-money goes beyond the superior quality and competitive price of our products. Beyond these, what really sets us apart from the rest is our commitment to service and our customers.

Our experienced Support Team are experts in all areas - providing valuable technical, battery knowledge and prompt warranty solutions. We believe in building lasting business relationships based on fairness and mutual growth by providing consistent, efficient and cost-effective supply of products to ensure the viability of our customers' own businesses.

We provide sufficient merchandising support to our customers to help them with the success of their own businesses. Neuton Power and Neuton Power K headerboards, battery stands, signages, posters, brochures, application manuals, product catalogues, and other give-aways are readily available for customers upon the recommendation of our sales representatives. We also include selected customers in various advertising campaigns, such as the directory listings, magazine spreads, and our website. We also have various promos throughout the year to entice more sales for our customers.

DISTRIBUTION NETWORK

YHI POWER is extremely proud of our nationwide coverage, having serviced thousands of customers across Australia throughout the years. Our network includes over 15 warehousing locations and over 40 vehicles from across Victoria, New South Wales, ACT, Queensland, Western Australia, South Australia and the Northern Territory.

This facilitates the servicing of over 3000 regular customers through consistent, scheduled service. For more information on YHI POWER's range of products and services, please contact your nearest YHI POWER office on 1300 722 028 or visit www.yhipower.com.au.

PRODUCT RANGE

Neuton POWER® PREMIUM

- Passenger Vehicle
- Heavy Duty & Commercial
- European Vehicles
- O.E Quality Performance
- US Heavy Duty
- MRV Marine
- Start-stop AGM

Neuton POWER® K Revolution in Power

- Passenger Vehicle
- Heavy Duty & Commercial
- European Vehicles
- Reliable Performance
- US Heavy Duty
- MRV Marine
- Start-stop EFB

Neuton POWER® PREMIUM

Neuton POWER® K Revolution in Power

- Premium Battery-sealed Expanded Calcium MF
- Unique Grid Surface Design
- 25% Higher Starting Power & 15% Higher Capacity then other Maintenance-free Batteries

Neuton POWER® AGM TECHNOLOGY

- Dual-purpose AGM Battery
- For Marine & Recreational Applications
- Good Vibration Resistant
- Strong Capacity & Ultra-high CCA

BOSCH

- A wide range of batteries for passenger, light commercial, 4X4 & SUVs vehicles
- Global Recognition

The Power Behind Performance
CROWN BATTERY

- Heavy Duty Deep Cycle & Commercial Batteries
- 6V, 8V & 12V Series

Neuton POWER® BATTERIES

WARRANTY & GUARANTEE

The guarantee that comes with our goods are bound by Australian Consumer Law. Where a major failure caused by faulty materials and workmanship occurs within the Specified warranty period, you are entitle to a replacement or refund and other loss and damage reasonable foreseeable, you are entitle to be compensated. Further, if the goods are of unacceptable quality does not cause a major failure, you are entitled to a repair or replacement of the goods.

WARRANTY EXCLUSIONS

This warranty does not apply where damage or defects to the battery are caused by the following conditions, including without limitation:

1. Accident, misuse, abuse, improper operation or tampering including removal or damage to vent plugs or loss of parts.
2. The warranty period will be automatically adjusted to the length for commercial use if the vehicle intended to be installed is not present or cannot be inspected by a representative of authorized dealer.
3. Improper, insecure or incomplete mounting.
4. Improper installation including installation of the battery with a capacity lower than that specified by the manufacturer of the product for which the battery will be used.
5. Misapplication including installation of a battery not compatible with its intended application or inappropriate application of the battery.
6. Lack of reasonable care, neglect (including causing sulphation), storage for a long period without proper maintenance or failure to maintain adequate acid level (applies to accessible batteries only).
7. Overcharging, undercharging or if it is discharged: faulty terminals caused failure.
8. Explosion causing damage as a result of a faulty connection including wrong, loose or reversed connection or flayed cables.
9. Any repair or modification by a third party without prior consent from YHI Power PTY LTD: or
10. Any damaged or defects as a result of normal wear and tear.
11. Warranty are not covered for battery that is used in a vehicle different from the vehicle described in the vehicle information guide.

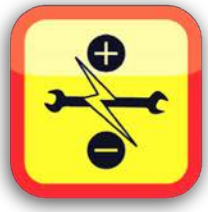

BATTERY SAFETY AND MAINTENANCE TIPS

Extend the life of your battery by:

1. Securing the battery firmly to the cradle, not too tight or too loose. Vibration will damage plates and shorten battery life.
2. Keeping battery cables and terminal connector clean and tight, corrosion prevents electrical flow which can severely diminish charging current and reduce ability of battery to start the vehicle.
3. Checking your electrical charging system regularly and making sure it’s working properly. Over or undercharging will impact the positive and negative plates causing a dramatic reduction in the life of the battery.
4. Checking electrical wiring and load. Electrical leakage or short will drain your battery. ie.a boot light or accessories left on can drain your battery overnight.
5. Using the right battery for the application, battery should be the same or bigger than the OEM fitment, undersize battery will fail early.
6. Using automotive battery for starting application and deep cycle battery for deep cycle application (TV, fridge, trolling etc), EFB & VRL range for Start-Stop vehicles.
7. Keeping sparks and flames away from battery, battery creates explosive gases when charging.
8. Keeping your battery fully charge when not used frequently.
9. Keeping the electrolyte level above the plates (for accessible types only).

SAFETY CHART

YHI POWER respects and understands the importance of safe procedures when handling and installing batteries. Please refer to the following symbols to ensure that you are not placing yourself and other in danger.

Never place metal objects between terminals

Use care when lifting (batteries are heavy)

Wash eyes immediately with clean water

Chemicals toxic to aquatic wildlife

Qualified installation recommended

Always wear acid resistant clothing

Do not smoke near batteries

Explosive; fire, blast or projection hazard

Eye protection recommended

Battery acid is corrosive

An immediate skin, eye or respiratory tract irritant, or narcotic.

Automotive batteries can & should be recycled

Health hazard; cause respiratory irritation, reproductive or organ toxicity
